To Whom It May Concern:

I am writing this letter to expressly recommend the services of Di Cara | Rubino Architects, who has served as our district's architect-of-record.

Under the guidance of firm Principals Joe Di Cara and Jerry Rubino, and Senior Project Manager Roderick G. Watkins the firm has designed and overseen numerous projects. The Di Cara | Rubino design team is extremely thorough and work collaboratively with our district, as well as with sub-consultants and contractors. They take care of every detail and work tirelessly on our behalf, which has relieved many burdens for us.

We have been truly pleased with all the work Di Cara | Rubino has commissioned for us. More importantly, we have been impressed with their true professionalism and personal attention during all project phases. The Di Cara| Rubino team is always available for consultation, and their role as our trusted facility advisor has been priceless.

I strongly recommend Di Cara Rubino Architects, and our district looks forward to working with them on future projects.

Sincerely,

  
Adekunle O James,  
Business Administrator/Board Secretary
